## DESCRIPTION

Work shorts with jogging-pants fit and elasticated waist inserts to ensure comfort and well-being throughout the working day.

Elasticated shorts in U-4 way stretch fabric which moves in four directions at the same time and follows the body's movements. Central closure with zip and scratch-resistant rubber button.

Multi-pocket shorts with two front pockets, two multi-purpose pockets with zip, two back pockets, one of which with a zip and the other with a velcro fastening.

The design with an accentuated rear yoke ensures greater protection of the lumbar area while the reflective tape on the back belt loops ensures greater visibility.

Breathable, quick-drying shorts in water-repellent fabric, ideal for the summer season.

Work shorts suitable for: truck drivers and couriers, logistics and warehouse workers, the building industry and bricklayers, carpenters, mechanics' workshops, tyre repairers, artisans, electricians and plumbers, gardeners and farmers.
