

Model: **ATOM LONG**

Code: **PE237BC**

Colour: **BLACK CARBON**

DESCRIPTION

Long-leg work trousers in U-4 way stretch fabric, very comfortable, durable, soft on the skin, quick-drying, water-repellent and breathable.

Work trousers for warehouse workers, mechanics, builders, farmers, carpenters, electricians, plumbers, gardeners and installers, being high-performing and ensuring maximum freedom of movement.

Stretch work trousers with YKK zipper and scratch-proof button, enhanced rear yoke to provide maximum protection in the lower back area, and reflective stripes on the rear belt loop.

The stretch waist, with its innovative retractable system, ensures an optimal fit, while the reinforcements on the hem tape and triple stitching guarantee durability and resistance.

Men's work trousers with longer leg cut to meet discrete ergonomics needs and several pockets: two large front pockets, lateral tool pocket, lateral multifunction pocket with retractable badge holder, two knee-pad holding projects with easy access, two rear pockets, one with zipper and one with Velcro safety closure, all made of resistant 600D Poly Oxford.

Two zipped pockets: one by the large side pocket and one on the right front pocket.

PPE CAT certified knee protection. 1 - EN ISO 13688:2013, EN 14404:2004+A1:2010 WITH KNEE PAD ART. GC061BC (TYPE 2 – LEVEL 1).

Also available in the regular leg version and in the short leg version.
