

Model: CRAFTY

Code: HL158YF

Colour: YELLOW FLUO

DESCRIPTION

High-visibility bomber jacket with detachable sleeves and two reflective bands on the chest, sleeves and shoulders. Rainproof, breathable and waterproof high-visibility winter bomber.

High-visibility bomber suitable for all situations where visibility is poor and the worker's presence needs to be visible.

Functionality and practicality are guaranteed by the numerous pockets, all with zip: 2 large front pockets on the bottom, 1 left-hand chest pocket with zip and 1 right-hand chest pocket with zip and covered by a flap, overlapped by another mobile phone pocket.

Bomber with adjustable and hidden hood.

The collar in warm and comfortable microfleece guarantees protection against the cold, while the double reinforcement fabric on the elbows ensures the long-lasting durability of this high-visibility winter workwear jacket.

Comfortable and sturdy stretch ribbed cuffs and bottom hem.

The model is available in Yellow Fluo and Orange Fluo.
