

Model: GALAXY

Code: FU275BC

Colour: BLACK CARBON

DESCRIPTION

Soft, ultra-comfortable, hard-wearing and quick drying, breathable sweatshirt featuring two pockets with drainage holes and vertical zipped breast pocket.

Sweatshirt with adjustable fixed hood and soft inner 100% polyester jersey lining plus breathable underarm perforations.

The reflective band on the left side of the chest and hood guarantees visibility in the Asphalt Grey and Dark Green colour variants, and carbon effect bands in the Black Carbon variant. Reflective print of the "U-Power" logo on the right side of the chest.

The elasticated windproof cuff with thumbhole also features a practical and innovative watch hole.

The ideal sweatshirt to wear on its own or under a work jacket.

Ideal for: warehouse workers, couriers, logistics, building and bricklayers, electricians, plumbers, carpenters and artisans in general, gardeners and farming.
