

**Model:** **ROMEO**

**Code:** **EX245GJ**

**Colour:** **GUADO JEANS**

## DESCRIPTION

Workwear jeans in stretch fabric that guarantee total freedom of movement and all day comfort. These denim workwear trousers contain 20% recycled cotton obtained by the recovery of used textile products and processing waste. Use of this fabric makes these jeans sustainable trousers with a reduced environmental impact in an effort to continuously promote environmental awareness and a green vision. The model is a pair of five-pocket work jeans with a total of 5 pockets, two of which – the back right pocket and front right watch pocket – feature an enriched design with the embossed “Red Lion” logo. The back label and lining of the front right pocket are customised with the U-Power logo. Slim fit versatility and YKK zip.
